2nd day of a quiet secluded life, but the real purpose for which B. came here -
was - was that found Sakpatri - dear to S. as always - Nal & Nishun left
they had to bring the best stuff for B. but brought 125 which was too little -
besides, Nishun seemed to be working of work - for when the 125 was
paid in the sun for 1000 ct. ... clouds gathered & obscured the sun -
the 1000 was taken from one place to another - several times, but 6th
time - Sun didn't come - as desired and eventually tired of washing
the 1000 with D. - and then
the 1000 did appear! What a joke?
When we set down for 9:00 - a European came in a car with Nalun -
they at the brought a party for the night - B.

The take our lunch stuff - batata-bhaji - brought for Nasik -
