Ramp & Docton arrive in the morning from Poona via Kalga  
 Ramp being ill, to stop till Sunday at Nasik & come with Ramp  
 to Ahilia. - plans & maps over again - N.W. SE. all sides

In all this programme crisis, there happened the  
UNEXPECTED - His father again - I. Telag. fr. <sup>Trabard</sup> - Rudha calls  
 up on receipt of the Regts. letter - 'What a case!' And this at  
 such a moment when the boy was turning to be a Real  
 Jew after 20 days of special treatment, 'preeking punchy'  
 etc. - A few days back when he was quite 'hypoch' and  
 actually kept far off by h. for days together, the call  
 of the father would have been 'So welcome!' actually wished!  
 But there is always something UNEXPECTED to hinder  
 the plans & prog. of work of h. whenever some thing here  
 is planned. This is another typical instance of his kind.  
 & NOW - a problem? The boy won't. be wd. rather die  
 & if the father insisted, Must be given up.

Arrangements for a start at 7 pm tonight for Chaudor  
 to stop there for the night in the back bungalow & start early  
 morning for Ahilia - Everything alright, but where is  
 the driver? men abundant in search! Strange R. keeps  
 quiet, otherwise, another chapter given & would have  
 been executed. Or comes at 7.45. - The farewell meeting  
 amidst tears & start amidst JAY JAY etc - Many remarks  
 had turned up for h. & it was a large & jolly thing to bid them  
 the night trip in h. - his strange strong feeling & the  
 love for the 17 had all - as if all in all - if he goes - off for  
 Mehab etc - arrive Chaudor at 10 pm - stop for the night.

No get duty arranged - game of 'dawn' at night
