What is Mind - What is Intellect ?

Intellect = बुद्धि Mind = मन

Intellect is higher than mind, and beyond it (mind)

सिद्धि साक्षात् means ~~stopping~~ minds stopped state, but it's not having gone beyond intellect;

- what is सिद्धि ?
- " " प्राप्ति ?
- " " साक्षात् ?
- " " Realization ?

The साक्षात्-प्राप्ति साक्षात् is the beginning (प्राप्ति साक्षात् साक्षात्) i.e. Realization is the Goal (end). Between these two, there is a vast difference (for you-ordinary people "Walk, walk, till the end (goal) is reached) but a Sadguru makes one reach (the Goal) instantaneously.

The outermost (manifestation) is our Gross body (शरीर)
 just - next inside to it (मन) is our Subtle " बुद्धि
 " " " " " the Mind मन
 " " " " " Intellect बुद्धि
 " " " " " Egoism (आदिशक्ति)
 " " " " " TRUTH (सत्य)

मन = मन नकारे शरीरना उपयोग करे, त्वारे नकारना साक्षात् मीलवणे, त वेदादी) साक्षात्. नमूना आवर-हा.

मन नकारे बुद्धिम शरीरना उपयोग करे, त्वारे नकारे तो साक्षात् आवर-हा, नमूना मी (बुद्धि नमूना उपयोग करे) त्वारे साक्षात् आवर-हा (planes नमूना साक्षात्)

अ साक्षात् मन बुद्धि नकारे आवर-हा पली बुद्धि नकारे त्वारे मीलवणे " साक्षात् " नमूना साक्षात् नमूना साक्षात् (planes नमूना साक्षात्) मीलवणे साक्षात् साक्षात् नमूना साक्षात् (planes नमूना साक्षात्)

Friday - 26-6-26

A representative from the New World Teacher (K.M.) came for Shree's darshan, with friends, amongst whom was Mr. Telang (The son of Justice Telang) and present editor of the "Young India". On being questioned by them, they said they had only come here for darshan. Then Sh. advised them - "Be always in search of Truth - real truth - wherever it is found without any cast distinction & prejudices. Control your passions - Renounce Maya and Create a longing to see the Almighty, etc."

(Some one enquired as to the work going on here and Mr. T. gave him some explanation - Advice about giving up cast prejudices & his reply as to that state being not yet reached etc. and they went away)

Then the Meeting & discussion on Theosophy, Dr. Beasant & the New Darwin etc. 3-11-01 - 5-11-01
 → (They came here - that is good for them) "But for this av. God forbid" - Shree said - "Compare the two. How Krishna and this K.M. who is long in all majesty, splendour, pomp & power in an aristocratic fashionable English County, who plays Tennis Golf & leads a fashionable life, who (so also these funny, showy theos.) have not the slightest idea - ^{not even} - of that real truth. Their greatness lies only in editorship, speaking & writing in high

A True will come when the world will bow to those, on whom these eyes (are) will fall

high-sounding words about planes, colours,
 Society, Creed, and a superficial knowledge
 of the Shadow of Truth. (planes, colours etc) and
 in believing & making others believe in features
 of Self (themselves - & none others.) Truth is far
 far beyond this.

"Then what do you think of a world Teacher
 who is forced upon (a laud of) the sophists, with
 threats etc. They are cowards that refuse
 to listen to the voice of their conscience, just for
 the sake of their (their) society of ambition being
 shattered, and themselves being ridiculed by
 the people. Was any Av. ever forced?
 See this strange character of the
 so-called civilized 20th century, that the great
 & sacred names of (powers like) doctors
 is so shamelessly tampered with."

What do you call the Av. Society
 who would refuse to accept a headless lady
 like Mrs. who was far for Superior edifier
 to these? It is said that the works of Mrs. are
 Not allowed to be read by any members in Av.
 (Society's Head Quarters) Only works written by
 Mrs. Blair - head betes - ~~the~~ Arundale and such
 other of their etc own Society - Creed.

These things look all led away by the reading of Mrs. Blair's -
 and then of our they remember the very many
 they copy Spauld's and make no copy.

It was these theos. & their leader Dr. Beas. that left the
Stones Unturned to prevent Mr. from going over to America.

Where Dr. Beas had been as a representative of the Theos. Soc.
in some great Conference held there, and where she is
said to have denounced Mr.

But what of that? Mr. eventually won the day
even tho' he had to suffer many hardships, & sleep
whole nights on a khotka on a Railway Station.

If you at all desire to aspire for realization you
should have your life (as a whole) in your sleeves (palm) - ready
to be given up any moment. & then you will only see the gates of truth.

V Then the Conversion turned on the topics of American
Mission (Christian) & Salvation Army etc. Why all this?
Why induce the people to give up their religion? Is
religion truth or a way to truth? Truth has nothing to
do - is far far from the limited, dictated & doctrinal
a religion. Truth is simply in giving up Maya & everything
of the world. Any body can attain to it. There is no
cast distinction or prejudices here.

The Muslims say that realisation can only be obtained
in Muhammadan religion & to them only who have got Surat
What not? The Parsis say - religion means heavy knots
(sacred yoke) wrapped round their waists and shaking of
lance, as many no. of times daily as possible, and all
other Non-believers in Zoroastrianism are Surwards
The Christians say that Salvation can only be had
by accepting ~~of the~~ Christian faith.
& so on & so on. What's all this - Nonsense & Shaking

Cede prophet - Mr. meant to help your mind - may a - Paul Beas
& there people - his followers - Cent - ?

others beliefs is - if not a sin - weakness, rather
Cowardice. What is there in making a show of
mercenary numbers that we have ^{the} so many
followers etc. You give the poor, destitute (Indian)
food, cloth, money etc. & they will embrace
any creed, and again go to another, if
something better is offered there.

I say therefore "Wau your Mund; Lead
a pure life; remove low desires; and
follow one who has realized God -
you are saved. So following does
not mean giving up your Creed.
The mind is to be given up.

All blow their own trumpets.
"Our religion is the best & the only source of
seeing God etc." say all.

Refer to the recent riots in Delhi,
between the Hindus - Muhammadans, on
the trivial causes of music before mosques
etc. Muhammadan belief - that blowing off the heads
of kafirs (those who play music before mosques) is
good - reason & they struck off the heads
of the Hindus, who like wise led away
by religious fanaticism blew off the heads
of Muhammadans. So a number of lives are lost on
both the sides. What's all this ⁱⁿ the

Name of religion? What is real and to be done for
 redemption is left aside, and precious lives are lost for
 Nothing. What a time? Forced Avatars & prejudices.
 If a religious leader springs up and proclaims - in the name
 of religion - that Marriages between Brothers & Sisters are
 legal - he will have a following of crores. And
 if one - realized or any Sincerely religious - says
 "Renounce everything" - he will have a following
 of thousands. That too forced. Such is the turn of the
 Mind of the people to-day. They want religious
 doctrines suitable to their Minds, and any ^{leader} who
 does this, succeeds, & has a very large following.

(Ref: to the Sincere Yogi - Arab. Gosh - who as well -
 read Man, (on the line) - gets सुख एवम at times - What
 does he say "I believe Surrender only to Krishna,
 the Perfect देव" - because God too bows down before
 the perfect. - the example of a Yogi who had been to
 Kabir - who created ^{Brahma}, Krishna, Rama, and asked them to
 slip Kabir - whose one word ए stopped them all
 and they (these created powers of Brahma & Ram) said to
 the Yogi that he (Kabir) is Superior to us as he has a
 human form, which we have not - Meaning
 in short - God too submits to Sadgurus.

27-6-26

ॐ१२ = ६६
२५-ॐ१२ = ॐ-६६
ॐ२२ = २५११-६६

मय = मय
सिन = मयमय
२१५ = मय मयमय

Holy Ghost
Father
Son

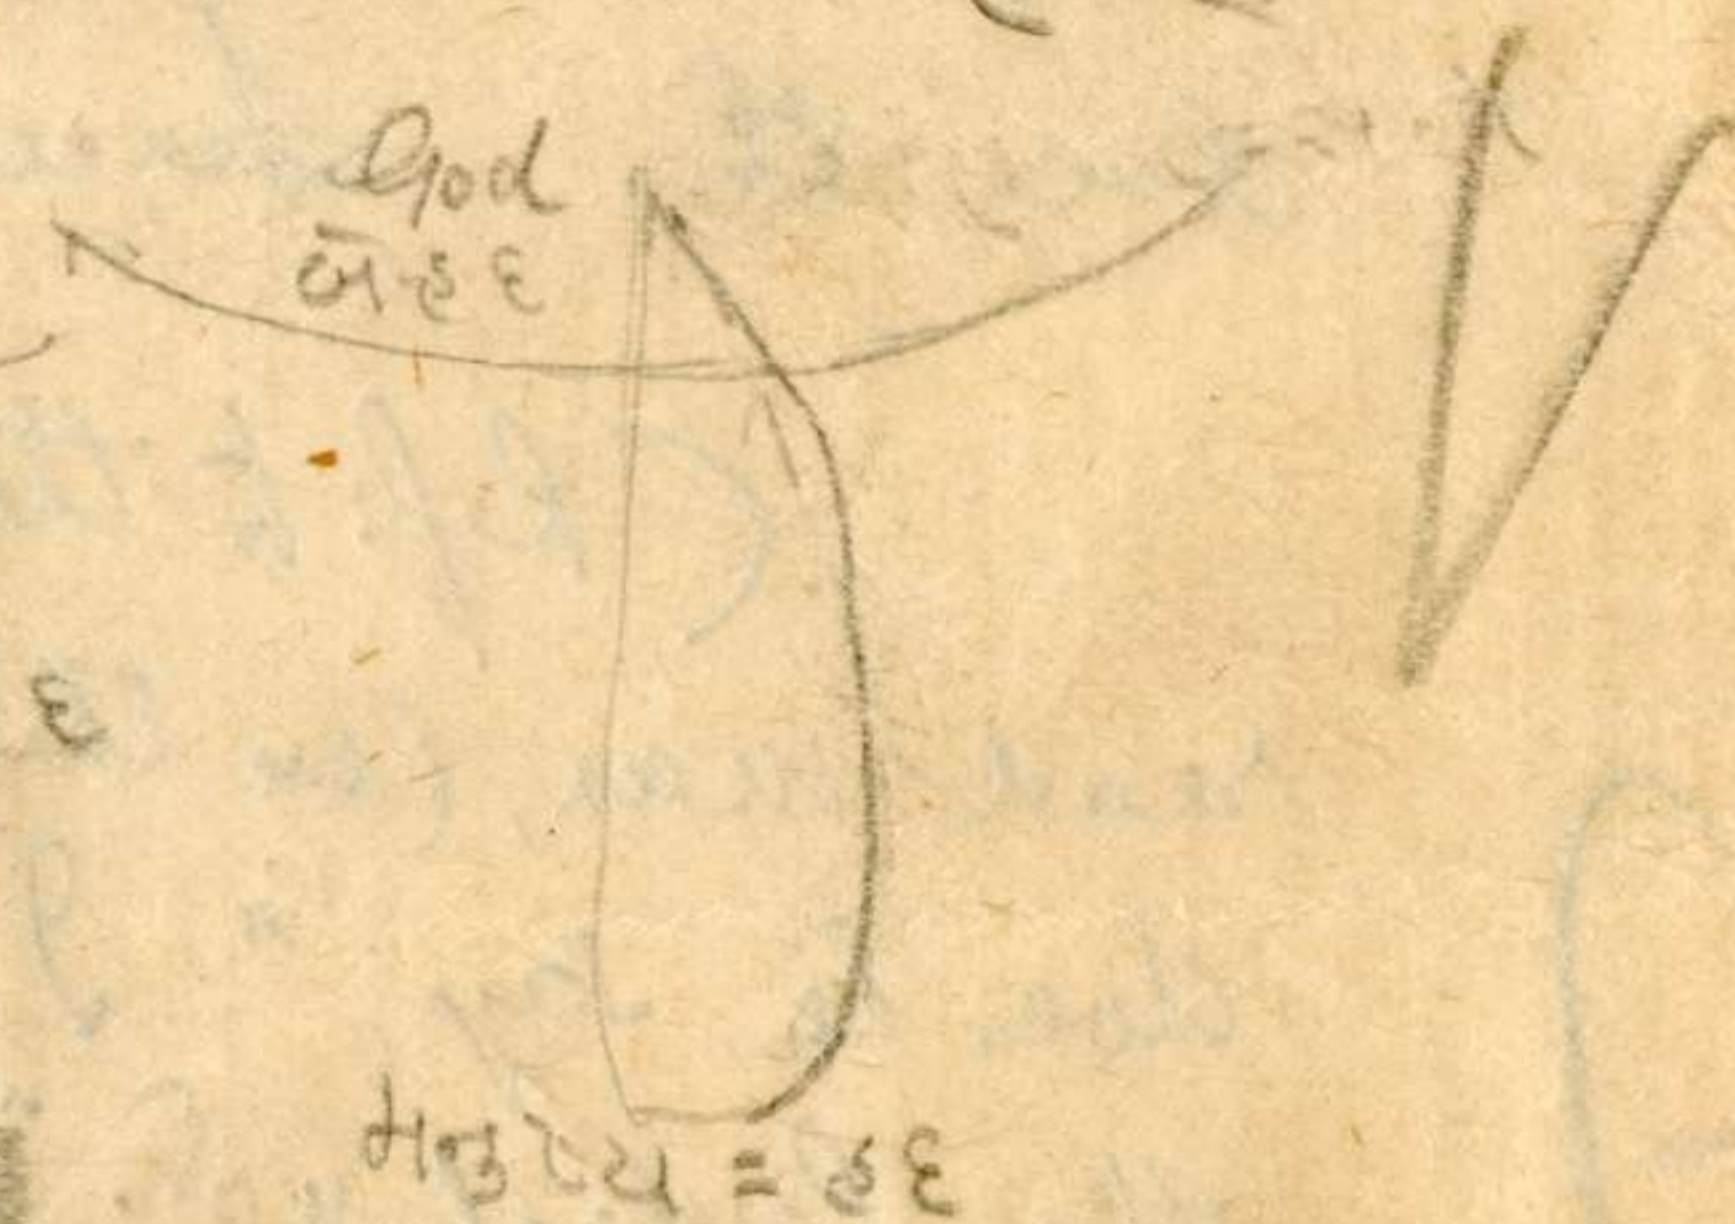

So become ॐ२५,
" २५११-६६
" the Son,

२५१२ state must be realized
ॐ-६६ " " D
the father's " attained to

Beyond all this, is Unconscious ॐ२२

The unconscious २५१०६ or ^{ordinary} existence of ॐ११
to become ॐ२५, it has to acquire the ६६ state
Then to acquire the ॐ-६६, and thence to the २५११६६,
if given duty.

मयमय = ६६ =
५११११११ = ॐ-६६
१११११११ = २५११-६६

When मय ^{becomes one with} ॐ११, it become ॐ११ (God)
When मय, from ॐ-६६ (God) state, returns
(i.e. comes down for duty) it becomes २५११६६ (मयमय-मय)

i.e. being one with Parmoloma
also works for the world i.e.
is in ६६६६ both, is of the
२५१२६६ state
