Baba - at Nasik

Myself at Bombay — attending to pp. affairs -
Taking the 2 pps fr. the Commissioner's office delivered at
secretariate - unexpected hitch, one more photo of each
(Gus. & vi.) required, if same photo. otherwise 3 of each need
signed either by Commissioner or a J.P.

Re: Egyptian Visa on B's & Mine, the junior clerk
couldn't explain in the absence of the head, gone out, and
after waiting for over half an hour, kept the matter pending
till Wednesday, and returned.

Went to see Rusi - had a long talk with him re: B.
- much interested & surprised at the workings of B. & of
the ready response West gave him.... felt much
concerned at B's anticipated long absence fr. India
during his ^{next} visit and stay in the West.... "letters fr.
B's lovers in the West must be published" — what a
love? what a devotion? and in the West? But it
must be like that. Who can help loving B.? I don't know
why I cried the other day in His presence.....

Arrive Bombay by Lab: Exp. early Morning - Surprised
Visit! Why not have a 'plane or a Season Ticket: It
like going to Fort & Bhoji Talas..... "

I searched for the Desaiwalle's application - all
letters, files, records inspected. Morning till
evening, but futile..... disgust & disappointment
- Now, had to go before B without it? And still,
go, I must.....

After bath, go to See Mr. Dushaji (Master) - this
diary falls off fr. the gap in the train at Thakurd was
get down & find it on the road.....

Dushaji Not yet at home: Wait & have some
talk with Mother (Pillai) & Mober re: B.... P. tells
of her own experience how she first saw B. in her house
twice on the same evening that her sons first visited B.
at Toka, when she felt much anxious @ Bomi, especially
for river-crossing etc.....

Next time, again, when much depressed & anxious,
the 'lustre of light & rays' round B's photo, at Nylt. etc etc

Boni arrives in car, doesn't come up, having had to go
again soon (as there was much work - 2 steamers arrived
suddenly) - with him & Mrs to Fort. - (Mauetji's house)
explain in the way of Message etc.

At Mauetji's place, the letter found - what a
delight! All love's labour rewarded... See how
wonderfully his influence works. No idea at all about
it being here, as I was sure of having taken a packet
of pending letter, but this was left by B... but I was
always obstinate Not to listen. Tho' sure this time.
However, found... relief

Returning home, board a fast train, a p to Badar & return.

Start by Lah. Exp. at Night - wake up quite so drowsy
near Beolati - Motor to station & then walk home alone
in pitch dark at 2 A.M. repeating his Name, walked
along.... Really wonderful for me of my spirit.

(1) - The Morning Meeting - post delivered
by postman direct to B... explanation of Bua. wrote

Fraen's question - the letter requesting explanation
re: Chabu's dismissal..... why & how? The

cat is out of the bag" - Fr. explains (ghetified)
that Bua & Vishnu both told him to ask you for
explanation..... The call to Vishnu, and the
abrupt? then to Bua, the sound
"prasadi" with Champal a feast.....

" This is my reply for the explanation desired.

You (both) wanted it, even unconsciously, and
I gave it..... Couldn't you realize, after
years of stay with B. that there is not to
reason why in B's works? Do we human
beings at all understand how, why, what he
does? If he dismissed Ch. He may have
reasons which we don't know.... So, why should

Nasik —

We go into "Chin-o-chora"? If Fr. came & asked you,
You ought to have said B's worst... But you ^{meant} ^{you}
& seems Mistake, & I corrected it... Now, ^{don't}
do it again, & others too will learn — "

But both are fortunate as both got 'prasadi'
after very long... Bua, always 'harman'; but it
is always with those who are to be spiritual
heads... they have to suffer... & Bua does suffer
for the last 15 years, for both Sedar, Mandali & Me.
But 'jigar'... Didn't hand over the Keys
today! ? embrace, love.....

Fram called again & explained —

Had you been dead that day when you at Castor
Seeds, it would have been ^{worst} better for you... You would
have been freed of those Sanskaras that you now
contracted by asking for an explanation for me, in
whatever mild form... Now these (Sansk.) will remain

clearly speak out that people love you so or ? - " Why
 not? What's the harm in ^{openly} declaring facts? Besides, they
 convince you more... as the Mind always wants conviction.
 Manu said "Ishaatag" - Jesus said "I o my father are one"
 Krishna said "Aham Brahmasami" - The first (Manu) was

 for Vanity or self pride etc or... Yes, they all said it out

As to Budha, let them come, as long as there is Mind. For,
 Mind is always (आदि) आदि... the way, & that both ways...
 And it will be steady later or when you get some sort of
 conviction, like the Mandals of Mine who have been with me for

 they had years of Satvas and some conviction. You too will

Why is it that we had much faith before seeing you,
