Dearest brother Baba,

We reached Poona safely - though the cold and discomfort in the train were torturing - but they sunk into insignificance beside the consoling thought that you would arrange about my future career.

You asked me to wait for 4-5 days after what time you would send me a letter informing me what to do. Now it's past 6 days - and I am daily cursing the postman for not bringing me a letter.

I have not discontinued my register - name from the college - and as the time for paying the term fees is drawing very near, I hope you will ~~write~~ on receipt of this letter send me an immediate reply - because per parents say that if my wireless matter is not settled, I should continue my studies.

Kindly inform where I should go in Bombay - If 'chandji is in Bombay,

Dearest brother Shri Baba,

May your birthday be
the dawn of a new era in the history
of World-Teachers and Sadgurus - an era
of salvation of this debased world of
existence.

May you live long to guide and protect
us poor creatures - nestlings of mortality
and weakness.

"Deign to save us O Master; make us reach
our Goal,

What prize is more priceless, than the
salvation of the Soul?"

I remain,

Dearest brother Shree Baba,

I was infinitely glad when your letter of pardon came to us. Kindly forgive me if I have offended you in any way, for to err is human, but really speaking I didn't refuse to stay at the Ashram, and --- but let bygones be bygones, and I hope to be excused by you. I passed in the bi-monthly exam held this month, coming out 2nd in English, being beaten by only 3 marks by the first boy. With your blessing I'm going on fairly well here. Hoping that you'll relax and excuse me,

I remain

Dearst Brother,

Shree Baba,

I am quite well here, going as ordinary, and I have just finished my second quarterly examination. I am leaning to your orders, so that after I have passed my matriculation, I may come to you, after which you may do as you like; whether send me to the college, or be near you, wherever you like. Our Michaelmas holidays have begun, being for 20 days.

Remain,

Your obedient brother,
