Ordinary people's spirit &
 mind being tied they have
 become one, both in one seeing
 through the eyes hearing through
 the ears etc. The saints these
 two bodies are untied. The

mind remains there to
see through the eyes, here
through the ears etc. But
the Spirit wanders in
the spiritual planes &
has got - and gets
drowned in the Self
& becomes God. So
my mind is talking
with you through the tongue
seeing you through the
eyes & hearing you
through the ears but
my Spirit may be
travelling in the
spiritual plane &
