Meher Baba, the One whom all children love.

Meher Baba's House

**If I showed you
Baba's House
you might not
know it!**

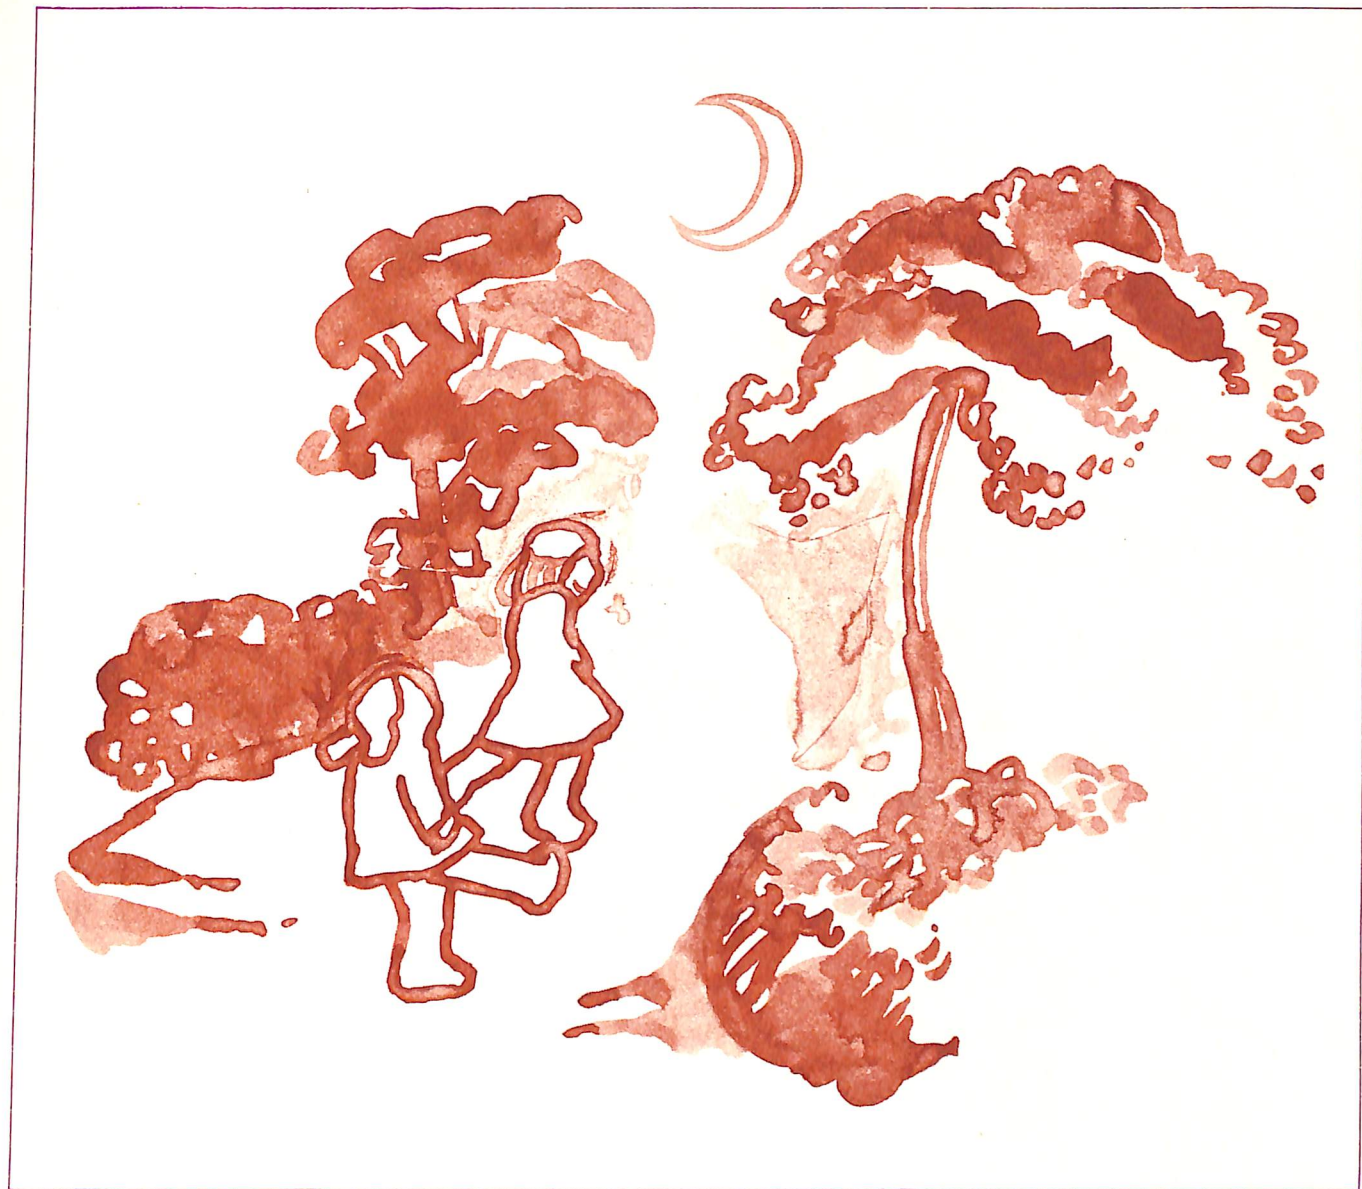

In Baba's house
you
go!

I put on a dress
for Baba
that was very
beautiful
It had a bead
missing!

**Why do children go
in the clear crystal moon path
whispering your name?**

The moon was golden golden
the child was golden golden
He was a little boy sleeping in it
And Baba was the moon man.

Compared to these
tiny crawling ants
I am a giant
Compared to thee
O Meher
I am an ant!

Meher Baba
There is no other Baba
but Baba.
His name means Father.

I skip
I walk
I run
To Baba's house.
He's beside me.

I feel Baba
in all I do
A beautiful thing like kissing air
or blowing soap bubbles!

Baba said , «How do you do?»

I said «I don't You do!»

Looking for Happiness

I discovered bubble gum!

The way to get
into
Baba's house
is to open the
gate!

Baba! Baba!
Heaven is but a moment in
thy presence!

Meher Baba's God.

**He says:
All is God**

**Suddenly I saw -
I looked up at the moon face
looking at me!**

I saw a frog
in your garden
O Meher
all squishy
and it was you
hiding
in there!

**Where are all the people?
In a pretty balloon cage
floating to the Baba Moon!**

We never lose
a thing
little children
Baba takes it
gives us
better.

Without Baba
nothing exists
not even
strawberry
ice cream.

**In Baba's House
there is only
Baba!**

Dear Baba,
I have a message
for you.
my whole life.

Oh Meher!
For love of thee
I didn't see the pole
that hit my cheek
for love of Thee!

His words were beauty
I was enthralled listening
the sun shone all night.

I was looking at Baba's picture
Looking at Baba's picture
Looking at Baba's picture
And I thought I was
Looking at Baba's picture
But it was Baba's picture
Looking at me!

**I ran a full circle
at Baba's house
to get in.**

**Meher Baba is the lovingest
ONE in the universe. He lives
in the abode of the heart.**

I went to Baba's house
to visit
my real self!

I left my purse
at Baba's house
and Baba returned it to me
full of Himself!

The soft wind
Caresses my face
with Love
O!
Thou art the wind!

Every day is Baba's birthday!

Come!

Let us celebrate!

Put away your toys

Little children

And follow me

I am the toy maker!

**Meher Baba is Love.
and especially loved little
children in whose hearts He
lives forever.**

**At Baba's house
no one enters
or leaves
But who is His!**
