

‘JAI MEHER’

*“ Our very life should be such as to be God’s message of truth in the World. In our every-day life of worldly duties if ‘love, service and honesty’ is manifested, renunciation is achieved without renouncing the world. — Meher Baba*

## DIVALI GREETINGS

MEHER SPIRITUAL CENTRE POONA  
1959

*Lead, kindly light, amid the encircling gloom*

*Lead Thou me on !*

*The night is dark, and I am far from home*

*Lead Thou me on !*

“ LEAD, KINDLY LIGHT .... LEAD ” : is an echo of the eternal song of life that emanates from the heart of every man or woman seeking an apparently lost home of lasting peace and happiness. DIVALI, the festival of lights is a symbolic expression of the inborn and inherent seeking song of every being, that moves the wheel of universal existence. But today, are we conscious of the REAL LIGHT and the HOME we seek, when we illumine to dispel the darkness of Divali nights with lamps of multi-coloured hue ?

The REAL LIGHT is the light of DIVINE LOVE – the Law of Life – established in the heart of man by God, the light of Whose music illumines the world. And when man walks away from that REAL LIGHT, i. e., when everyday life of man is not lived in the light of God's message of LOVE, HONESTY AND SACRIFICE, the established order of society crumbles under the impelling force of fear, suspicion and hatred. Chaos, and disorder prevails in society and mass of humanity suffers. Saints appeal to heaven for divine intervention and the Five Perfect Masters of the age causes the

immediate presiding presence of DIVINE WILL on earth and GOD DESCENDS IN HUMAN FORM to re-establish the spiritual order of the universe.

“ Age after age, when the wick of Righteousness burns low, the Avatar come yet once again to rekindle the torch of Love and Truth. Age after age amidst the clamour of disruption, wars, fear and chaos, rings the Avatar's Call.

“ COME ALL UNTO ME ”

Seekers of Truth, Lovers of God and Peace Makers of the world, be still ! Hearken to the call of MEHER BABA, the ANCIENT ONE, come once again to redeem the modern world. He is the REAL LIGHT of the universe. See the LIGHT OF HIS LOVE to illumine your sight, Listen to the VOICE OF GOD emanating from HIS SILENCE. Listening to and living the message of His Love and Truth is the only hope of humanity. His message is, “ LOVE GOD, who resides in the heart of all. Serve God, who is in all. For God is the Self in every finite self.”

“ WE ARE ALL ONE ”

Says MEHER BABA.
