

the Magnificent & Seven

What I say is not words of intellect.
They are not words coming from the
mind but from experience of the beyond.

Don't

The state of not doing. *DO NOT*. The opposite of do.

Refuse to do. Just don't. Absolutely refuse to do.

Be stubborn about this not doing.

Worry

Worry is like saying, "Although You, my Beloved, have proven Yourself time and time again as worthy of my trust, I still chose to worry...." You will chose trust over worry eventually. How about now? Be stubborn about this not worrying. Chose not to worry. Refuse to worry. Try just a little more everyday.

Trust God completely and He will solve all your difficulties. Faithfully leave everything to Him and He will see to everything. Love God sincerely and He will reveal Himself to you.

worry sucks the life out of you

worry is useless

worry is stinking thinking

Be

The state of IS-ness. Am. Are. Is. Was. Were. Been.
To take place. To stay. Remain. Last. To mean as:
Meher Baba *is* everything to me. To be situated in
place and time as: Meher Baba *is* the Being of beings;
Meher Baba *is* beyond place and time; Meher Baba *is*
closer than your own breath; Meher Baba *is* here.
To coincide in identity with as: Meher Baba will
Awaken us to *be* like Him. To express obligation
or what is expected to happen as: Meher Baba *is*
Manifesting in our hearts.

Be with the Being of beings

Be with Meher Baba

Remain with Meher Baba

You are always with Meher Baba

Be with the Beloved

Happy

Happiness is a state where your ego is less asserting. You never think 'poor me' when you're happy. In fact you don't think about yourself that much at all when you're happy. Think about it. Therefore, when you're happy, you're much, much more receptive to His Voice.

I am never silent. I speak eternally. The voice that is heard deep within the soul is My voice....the voice of inspiration, of intuition, of guidance. To those who are receptive to this voice, I speak.

Love

Everything is Mine except for Myself;
Myself is for those who love Me.
I am the Ancient One,
the Highest of the High.
Love Me; Love Me; Love Me;
and you will find Me.

— Meher Baba

This is Truth but intellect cannot grasp it, wisdom cannot weigh it, space cannot hold it, time cannot check it, angels cannot fathom it, but human beings can realize it through love, the Divine Love, the Love for the Almighty, except whom, nothing is.

Compassion. Mercy. So forgiving that He forgets.
So compassionate that words cannot do Him justice.
Understanding and Compassionate. It's mind numbing to even attempt to write about such compassion.

Meher is Mercy

Meher is Forgiving

Have Complete Faith in Me

If you have rock-like faith in God and flame-like love for Him, nothing in this world will affect you. Misery will not trouble you, flattery will not touch you, happiness will not humour you. Such faith and love will cause you to rise above the imaginary phenomenon and make you understand that God alone is real.

Trust God completely and He will solve all your difficulties. Faithfully leave everything to Him and He will see to everything. Love God sincerely and He will reveal Himself to you. This love needs no ceremonies and show. Your heart must love so that even your mind is not aware of it.

Let nothing shake your faith in Me, and all your bindings will be shaken off. Once you open your wings to fly, you must fly straight like the swan. Do not flit from tree to tree like the sparrow, or many things will distract you.
