DOUG ALLISON

Office: 3007 Hermance Dr., NE
Atlanta, GA 30319

404/262-2700

Home: 29 Lester Rd.
Lawrenceville, GA 30245

404/925-8089

Education: Indiana University - BA - Psychology, 1977
Georgia State University - mental health courses
DeKalb Community College - interpreting for the deaf
(presently in last quarter here)

Years in practice: 7 years at various agencies.

Theoretical orientation: Case management/eclectic (whatever works!)

Areas of specialty in practice: Chronic mentally ill/case management clients. Also, some experience with the deaf.

Areas of special interest: SAA. Also, family education, advocacy and support for families of chronic mentally ill.

Personal analysis/therapy? Yes.

Work experience: Experience at both state and private in-patient facilities. Currently at community mental health center doing case management.

1-702843

DOUGLAS ANDERSON

Office: Boulder County Mental Health Center
980 University Ave.
Boulder, CO 80302 303/449-8334

Home: 2929 5th St.
Boulder, CO 80302 303/444-2373

Education: Naropa Institute - MA - 1980
Presently student working toward Ph.D.

Licensing: None.

Years in practice? 4.

Theoretical orientation Contemplative psychotherapy.

Areas of specialty in practice: Healing communities.

Areas of special interest: Psychosis. Healing possibilities.
"Chronically" ill and the mental health system.

Personal analysis/therapy? Yes.

Work experience: Individual, group and therapeutic communities.
Supervision of students.

Additional information: I also work with a group of Naropa Institute graduates performing "home care" for mentally ill. This work is very much in contrast to the mental health system and interests me deeply.

TONI ATMORE

Office: 150 Sumner Ave. 413/732-2553
Springfield, MA 01108

Home: 253 Vining Hill Rd. 413/569-5804
Southwick, MA 01077

Education: Arizona State University - BA - Journalism, 1967
University of Pittsburgh - MPA - Public Admin., 1971
Duquesne University - MA - Clinical Psychology, 1974
Menninger Foundation - Biofeedback Course
Smith College - Clinical courses

Years in practice: 14 years in human service field. Mental health and substance abuse rehabilitation.

Theoretical orientation: Blend of systemic family work, psychodynamic, existential phenomenology.

Areas of specialty in practice: Substance abuse counseling, biofeedback, stress management. Special interests: Systemic thinking, communication skills.

Publications: "Research in BioFeedback with Substance Abuse," presented at Annual BioFeedback Conference, Midwestern Psychological Association. Abstract published in BioFeedback & Self-Regulation.

Professional affiliations: Massachusetts Association for Substance Abuse Service Providers, Massachusetts Council of Human Service Providers.

Personal analysis/therapy? Yes, individual therapy.

Work experience: Direct an outpatient rehabilitation program for substance abusers. Have served in administrative and clinical capacities for mental health centers and rehabilitation programs for drug abusers. Have designed and run seminars on stress management, drug abuse and mental health for employees in corporate settings, human service agencies, hospitals and others.

MARGARET S. AUSTIN ("MAGGIE")

Office: Horry-Georgetown
 Technical Institute

Home: 1307 Elm St.
 Conway, SC

803/248-2479

Education: West Virginia University - MA - Guidance and
 Counseling, 1979
 N.C.G. Certificate, 1981

Credentials, Licensing: Have taught 1 year of college, part time,
at St. Leo, Myrtle Beach, S.C.

Theoretical orientation: Re-evaluation co-counseling;
assertiveness training.

Areas of specialty in practice: Most of my work has been in the
teaching area with the exception of 1975-1979 when I worked
exclusively as a counselor of rape victims in Chapel Hill, N.C.,
part time. I'm still especially interested in this area of work.

Personal analysis/therapy: Yes, marriage therapy.

WINNIE BARRETT

Office: The Children's Hospital 303/861-6200
(agency) Dept. of Behavioral Sciences
Denver, CO 80218

Office: Denver Mental Health Center 303/388-3627
(private) 1760 High St.
Denver, CO 80218

Home: 1285 S. Harrison 303/756-7152
Denver, Co 80210

Education: University of Denver - MSW - 1976

Credentials: Licensed Clinical Soccial Worker, LSW II, 1981.

Years in Practice: 9.

Theoretical orientation: Ego psychology/psychodynamic.

three year residency in psychiatry which will end in
June, 1985.

Credentials: New York State Medical License, 1982.

Theoretical orientation: Psychoanalytic and psychopharmacologic.

Areas of specialty in practice: Psychoanalytic psychotherapy and
pharmacotherapy.

Areas of special interest: Schizophrenia. I am in the process of
applying for a two-year research fellowship at the schizophrenia
research unit at the Psychiatric Institute.

Professional affiliations: American Medical Association.
American Psychiatric Association.

Personal analysis/therapy? Yes, currently in my first year of a
training analysis at the Columbia Institute.

Work experience: Mainly hospital based but also with varied
outpatients in the hospital psychiatric clinic.

Additional information: I plan to enter psychoanalytic school
sometime during my research fellowship, probably the second year.

JOSEPH DISABATINO

Home: 506 18th Ave. So.
North Myrtle Beach, SC 29582 (temporary)

Education: University of Delaware - M. Ed. - 1977

Years in practice: 7.

Theoretical orientation: "Systems" - brief, strategic psychotherapy.

Areas of specialty in practice: Family therapy.

Areas of special interest: Paradoxical interventions; working with sex abuse families; Eriksonian hypnotherapy.

Personal analysis/therapy? No.

Work experience: Have worked in community mental health centers and private agencies.

Additional information: Trained at Philadelphia Child Guidance Clinic. Particularly interested in Jay Haley's and Chloe Madanes' strategic therapy.

MARNIE FRANK

Office: Lutheran Family Service
605 S.E. 39th St.
Portland, OR 97214

503/231-7480

Home: 1725 N.W. 31st Ave.
Portland, OR 97210

Education: University of Wisconsin - MS - 1979

Years in practice: 5

Theoretical orientation: T.A. and Gestalt.

Areas of specialty in practice: Working with women and the elderly. Especially deal with issues of aging.

Areas of special interest: (1) The elderly. (2) Am currently working with adults to help them learn how to deal with their elderly parents and their own fears and issues of aging.

Professional affiliations: International Transactional Analysis Association (ITTA). Western Gerontological Society.

Personal analysis/therapy?: Yes, therapy.

Work experience: Have essentially provided outpatient psychotherapy to middle class adults for past 5 years.

STEVEN GAGE

Office: Life Quality Resources 919/782-4597
8408-E Glenwood Ave.
Raleigh, NC 27612

Home: 2409 Trinity Farms Rd. 919/833-6778
Raleigh, NC 27607

Education: Syracuse University - MA - Marriage and Family
Therapy, 1979

Credentials: N.C. Certified Marital and Family Therapist, 1982.

Years in practice: 3.

Theoretical orientation: Transpersonal, Gestalt, wellness
orientation.

Areas of specialty in practice: Individual, marriage and family
therapy.

Areas of special interest: Integrating mind, body and spirit.

Professional affiliations: Clinical member, American Association
of Marriage and Family Therapists.

Personal analysis/therapy: Yes, therapy.

Work experience: 2 years internship - pastoral counseling center.
4 years - family service agency. 3 years private practice.

KATHLEEN P. GEAGAN

Office: Charter Ridge Hospital
Children's Psychiatry

606/269-2325

Home: 314 McDowell Rd.
Lexington, KY 40502

606/268-8052

Education: Eastern Michigan University - BA - Theatre, 1980
University of Kentucky - at present taking graduate
course in playwriting

Credentials: Licensed RN, psychiatry, 1975.

Years in practice: 6.

Theoretical orientation: Use of drama in psychiatry - eclectic.

Areas of specialty in practice: Child psychiatry in hospital
setting.

Areas of special interest: Drama therapy, poetry therapy, all
creative expressive therapies, mutual storytelling, playtherapy.

Honors: Honors in nursing school and BA work.

Professional affiliations: National Drama Therapy Association,
Kentucky Nurses Association.

Personal analysis/therapy: No.

Work experience: I have worked in both adult and child psychiatry
in hospital settings. (Also worked in camp settings with children
with CA.)

Additional information: I have recently begun a drama group using
improvisational theatre techniques on the children's unit. From
a previous poetry group the children will be performing a poem
play which depicts "a day in the life" on the unit. I find myself
wanting to break away from the confines of psychiatric nursing
into expressionistic techniques. I'm looking at programs in
psychology with a concentration in Drama Therapy and/or Psycho-
drama.

LORRAINE GRANIT

Office: Walnut Creek Consultation Clinic
1777 N. California Blvd. #210
Walnut Creek, CA 94596 415/938-7510

Education: Saybrook Institute - PH.D. - 1980

Credentials: Psychology license, 1982. Counseling license, 1972.

Years in practice: 14.

Theoretical orientation: Ego psychology.

Areas of specialty in practice: Adults - psychotherapy, marital, groups, employee relations.

Professional affiliations: American Psychological Association; California Association of Marriage and Family Therapists; Contra Costa Psychological Association.

Personal analysis/therapy: Yes.

Work experience: Director of Walnut Creek Consultation Clinic since 1976; director of another clinic before that; director of drug abuse prevention group before that; psychotherapist privately and in clinics for 14 years.

LINDA JEAN HANSEN

Office: Alternatives
1520 Aberdeen Rd.
Hampton, VA 23666

804/838-2330

Home: 610 Lafayette Ter.
Newport News, VA 23605

804/595-6360

Years in practice: 11.

Areas of specialty in practice: Adolescents, groups.

Areas of special interst: Prevention/drugs and alcohol
(adolescents).

Professional affiliations: Association for Learning Disabled
Children (current President).

Personal analysis/therapy: Yes.

Work experience: 11 years in the field of substance abuse.
6 years spent in intervention. 3 years spent in alcoholism
treatment. 2 years spent in prevention.

Additional information: I feel it's important to note I have not
followed the traditional means of education. Baba has given me a
lot of the knowledge necessary for my work from experiences
outside of school. My work has taught me a lot. Training with
Rollo May, Minuchin, Bowen, Satir, reality therapy, Gestalt,
family systems all have lent a great deal to my approach yet none
of them is my style completely.

STEPHEN HAWTHORNE

Office: Director, Family Psychiatry 919/684-6727
(agency) Duke University Medical Center
Durham, NC 27710

Office: 1811 Chapel Hill Rd. 919/493-4397

pre-school children and parents (while training). 4 years (while
training) as psychotherapist in a day school for maladjusted
children in London. 4 1/2 years (since qualifying) at Portman
Clinic, which is an out-patient clinic offering psychotherapeutic
treatment to offenders, sexual deviants, etc., both adult and
adolescent. 3 years at Charing Cross Hospital, London (simul-
taneous with Portman).

GORDON L. NEALE

Office: Charter Peachford Hospital 404/445-3200
2151 Peachford Rd. Ext. 540
Atlanta, GA 30338

Home: 1177 Pine Grove Ave. N.E. 404-261-3597
Atlanta, GA 30319

Education: Pratt Institute, Master of Professional Studies, 1982

Credentials: Professionally Credentialed Registered Art Therapist (ATh) by the American Art Therapy Association, 1982.

Years in practice: 5.

Theoretical orientation: Expressive Arts Therapy.

Areas of specialty in practice: Using art therapy - drawing, painting, sculpture, etc. to help clients identify and express feelings and to learn to create symbols to help work through personal issues.

Publications: "Poetry & Movement Therapy with an Institutionalized Geriatric Population: Working Through Losses and Consolidating Strengths," Pratt Review, 1981.

Professional affiliations: Member, American Art Therapy Association, Georgia Art Therapy Association.

Personal analysis/therapy: Yes. Jungian oriented.

Work experience: I presently work in an inpatient, adult psychiatric setting. I supervise Art Therapy for Charter Peachford Hospital (child, adolescent, young adult and adult psychiatric units). I have also worked with autistic children, geriatric patients, and outpatient groups and individuals. Presently I do not have a private practice, though this will be happening at some point.

KARIN (DRUDGE) PARKS

Office: Capitol Hospice Care 504-273-0500
134 McGehee Dr.
Baton Rouge, LA 70815

Home: 519 University Walk 504-383-3683
Baton Rouge, LA 70821

Education: University of Kentucky - MSW - 1983.

Credentials: Certified Social Worker, Kentucky State Board of Examiners, 1984. (Louisiana BCSW pending.)

Years in practice: 1 1/2.

Theoretical orientation: Hospice - death and dying counseling and education.

Areas of specialty in practice: Children and death, bereavement, psychosocial needs of family and patient. Special interests: Art, relaxation, music, massage therapy with those affected by terminal illness.

Publications, honors: Alpha Delta Mu Honor Society for Social Work, presenter 1983 National Hospice Annual Meeting.
