Be honest with yourself and God :

Let your heart be pure. Do not act outwardly what you are not inwardly. Be absolutely honest - God is infinite honesty.

Do not pose as being pious, because God is everywhere. God can not be fooled - so why pose as something you are not ?

I do not want anything else from you but the gift of your obedience. Give Me that and you will free yourself from the bondage of ignorance.

Pay heed and strive for Freedom by experiencing ignorance in its true perspective. Be honest with yourself and God. You many fool the world and your neighbours, but you can never escape from the knowledge of the Omniscient - such is the Divine Law.

*It is only love that counts, and to have love
you have to cross the threshold of the intellect.*

- Meher Baba.

*Clearly Love & Love alone prevails
in Meher Baba's final message to us
dictated by Him on January 6, 1969.*

*"To love Me for what I may give
you is not loving Me at all.*

*To sacrifice anything in My cause
to gain something for yourself is
like a blind man sacrificing his
eyes for sight.*

*I am the Divine Beloved worthy of
being loved because I am Love.*

*He who loves Me because of this
will be blessed with unlimited sight
and will see Me as I am".*

- Meher Baba.
