Love by Meher Baba

Divine Love is qualitatively different from human love. Human love is for the *many in the One* and *Divine Love* is for the *One in the many*. Human love leads to innumerable complications and tangles; but *Divine Love* leads to integration and freedom. In *Divine Love*, the personal and the impersonal aspects are equally balanced; but in human love the two aspects are in alternating ascendancy. Human love in its personal and impersonal aspects is limited; but *Divine Love* with its fusion of the personal and the impersonal aspect is *infinite* in being and expression.
