ARATI

*

*

Arati Accept Mine! Meher Prabhu!
One from whose impulse | The universe sprang
Can intellection | ever fathom His
Endlessness Divine?

Primal Consciousness | Abode of Peace
Salutations to you, O Brahman!
Meher Prabhu Come!

*

*

*

Lighting in my heart | The lamp of Love
Feign would I see | darkness dissipate!
Feign would I offer | my all unto you!
Rejuvenation give!

Be every breath of Life | your momentum Lord!
O Merciful One! | Lover of Divine Sport!
Shower Mercy on us!

May my very life | become your Arati!
Resolving the round | Of beginning and end
Opening my eyes | to see the Dawn!
May you engulf me!

Meherazad
