

COME ALL UNTO ME.
NOW is the time for ALL
to know that I AM GOD
in human form.

—MEHER BABA

Prevailing chaotic conditions of life in this world, the ceaseless suffering and pain mankind experiences, and total failure of human efforts to find peace on the earth are signs indicating the nearness of Avataric manifestation.

Meher Baba, who has been observing silence for the last 42 years says, "I shall break my silence and deliver my message only when there is chaos and confusion everywhere, for then I shall be most needed, when the world is rocking in upheavals, earthquakes, floods and volcanic eruptions, when both the East and the West are aflame with war. Truly the whole world must suffer for the whole world must be redeemed."

I AM THE ONE

"I am the very same Ancient One, in flesh and blood, who is eternally worshipped and neglected, always remembered and forgotten. I am that Eternal One, whose past is worshipped and remembered; whose present is neglected and forgotten; whose future is always much desired and longed for".

—Meher Baba

Meher Baba's Life in brief :

Meher Baba was born in Poona on the 25th February 1894 in a Zoroastrian family of Persian origin. While leading a normal life as a student in the Deccan College, Poona, he once met a Sufi Satguru—Babajan, who made him aware of his high spiritual destiny. During the period of seven years following this event, Sadguru Upasani Maharaj of Sakori gave him "Gnosis" or Divine Knowledge. Thus Meher Baba attained spiritual perfection. His spiritual mission began in 1921 when he drew together his first close disciples.

After years of intensive training of his disciples, Meher Baba established a colony near Ahmednagar that is called Meherabad. Here the Master's work embraced a free school where spiritual training was stressed, a free hospital and dispensary, and shelters for the poor. No distinction was made between the high castes and the untouchables; all mingled in common fellowship through the inspiration of the

Master. To his disciples at Meherabad, who were of different castes and creeds, he gave training of moral discipline, love for God, spiritual understanding and selfless service.

Since 10th July 1925 Meher Baba observed complete silence which still continues. But inspite of this self-imposed unique silence, his name and the messages of hope he brings to mankind crossed continents and reached millions. The silence Meher Baba has been observing is for the good of mankind, and on the breaking of his silence hangs the fate of mankind.

Meher Baba says, "I belong to no religion. Every religion belongs to me. My personal religion is my being the Ancient Infinite One, and the religion I impart to all is Love for God, which is the Truth of all religion. This Love can belong to all, high and low, rich and poor. Every one, of every caste and creed, can love God. The one and only God who resides equally in all, is approachable by each one through Love".
