*“Just a glance from me can give you all you need — can turn your vision inward. You will be sitting here without any outward change, but you will become ‘what you really are.’ You have to wait for that moment. That moment is near, and for that you have to love me wholeheartedly, otherwise you will miss it. If I knock at your door and you are asleep, I will go away. In Avataric periods, one does not necessarily have to make the inward journey by stages. If you have the Grace of the Avatar, He just takes you from where you are to where you should be, where God wants you to be.*
