God exists. If you are convinced of God's existence then it rests with you to seek Him, to see Him and to realize Him.

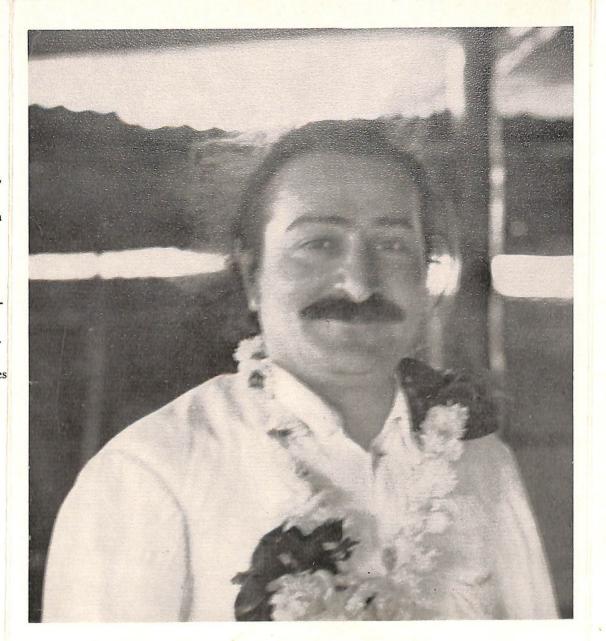

Follow any religion you like, but follow its innermost spirit. Do not make a mock of it by adopting the conventional husk of religion and ignoring the underlying Truth.

Have hope. I have come to help you in surrendering yourselves to the cause of God and accepting His grace, love and truth.

I have come to help you in winning the one victory of all victories
to win yourself.

The only message I could ever give and have been giving is "Love God", and you will find yourself is nothing but God.
