AVATAR MEHER BABA

Whose touch today awakened the heart of countless aspirants
towards God Realization.

A VISION OF SILENT AVATAR

Meher Baba who is a living Avatar of this age, has been realized to even so by a very few as God. His followers belong to India, England, America, Pakistan, Australia, Greece, Russia, Jerusalem, South Africa, Egypt, China, Japan, Persia etc. Whenever God has descended on earth in human form, His lovers had realized Him through their own experiences about His Godhood. To-day also the same experiences are being felt by the lovers of Baba, no matter what religion they belong to. Baba's lovers have been seeing Him in His Divine form of ancient incarnations of God in their visions who has been speaking to their hearts inspite of the fact that He has observed Silence since 10th July, 1925. They have been seeing Baba walking, communicating through gestures, advising and sometimes warning against misdeeds in visions (a kind of dream while awaking).

A JOY IN HOPE OF DARSHAN OF SILENT GOD

Every human being or the aspirant has his own intellect, when anyone of them approaches Baba for Realization of God, he finds in due course by experiences that He is God. They do not feel the least doubt in His Avatarhood. Normally it has been seen that the persons after having Baba's Darshan were pained with the thought of not having His Darshan earlier to that and were repented also on their ignorance.

The seeker may belong to any religion, Hinduism, Mohammedanism, Sikhism, Christianity etc. and he might have read the big books of all religions and he might have formed an idea of qualities of God, His spiritual qualifications and what not according to his own intellect. After meeting Baba, he would find that Baba has passed all the tests, conducted by his brain without speaking while living near Baba or thousands miles away and he would feel joy in a hope of another meeting with Baba or His Darshan who has observed Silence.

A SILENT FRIEND OF EVERYBODY

Those who had gone to Avatar Meher Baba for Self-Realization or God Realization, know that He had not taught them but He had awakened them. Whenever there would be a Darshan programme or Sahvas (close

association) everybody would find that He embraced all irrespective of any one rich or poor, child or adult, young or old, Hindu or Mohammedan, Sikh or Christian and Eastern or Western. He would play games with children and adults. He is a friend of all. He would communicate through gestures with everybody like an intimate friend. He would walk with all and cut jokes like a friend but in a silent way.

HOW HE GUIDES IN SILENCE ?

A question would arise in the minds of all that how a silent Avatar could guide the seekers of Truth and what would he do?

Avatar Meher Baba gives Darshan to his lovers when they feel to die without His Darshan or meeting like fish without water. Thousands of his lovers used to have his Darshan individually though the time was short. He would communicate with everyone individually in Silence as if he had touched his lovers hand while distributing "Parsad" or he had embraced. He had taken the bad Sanskaras and had given the good Sanskaras which had helped the lover in his path towards God Realization. Sometimes He patted on the shoulders of His lovers.

WHAT IS THE IMPORTANCE OF THE TOUCH OF AVATAR MEHER BABA ?

As the soul had entered in the physical body, in the same way God (Meher Baba) had entered in the physical body of His lovers through that touch. Some had not felt at that time that what had entered in them and also the sin done by them in their current and previous countless incarnations of human being had been excused by God and they were now spotless like white cloth.

On going to Shri Meher Baba, they had received His love in an unknown way, but due to their old habits they had not changed the dealings of their routine life in the world and had started doing what they had felt correct to carry on with the world just as dependent on untruthful ways, away from honesty, love with hypocrisy, kissing the ego and necessary unfair dealings to carry on with their daily life of business or any service.

HOW HAD THE WRONG HABITS BEEN ERASED AND REPLACED WITH GOOD ONES ?

They do the aforesaid, thinking themselves to be very clever but they are actually completely ignorant in the eyes of Beloved Baba. But they do not know that a police station had been existing in their heart and each action was being watched strictly by that station like the watching of C.I.D. or police person without uniform and the bad Sanskaras accumulated by lovers in day to day life were also cleaned while having spiritual sufferings. For instance, a seeker had depended on untrue dealing and had felt himself satisfied by telling a lie for the satisfaction of the others, what would happen then; after some days the falsehood had been exposed and the Truth had come out by some incidents of exchange of talks in some ways.

Now take for instance a seeker had been running away from honesty. He had been made honest only by force, it seems to be very unappealing reply to some. It was the fact that Meher Baba had occupied his heart and directing him silently and unknowingly. It would clear now, if the seeker had done his business with the coating of dishonesty, his business would fail, or dishonesty used in Service, he would be put to troubles.

When the seeker had been caught indulging in dishonesty every time, definitely he would leave dishonesty and would become honest.

Some seekers have to eat salt of Hypocrisy in their daily routine life just to carry on with that. He exhibits what he is not and he does not show what he is, that is called hypocrisy. Meher Baba exposed all of His lovers and seekers what they are in natural ways and the Hypocrisy had been buried.

The lovers kiss ego, embrace it because it flourishes without any effort like the hair of head. When the farm of ego ripened, it had been crushed, by Avatar Meher Baba in natural ways.

HOW HAD IT BEEN DONE ?

When the lovers of His, had been insulted without any sort of reason by their relatives, friends, well wishers, lovers, enemies and passersby. The clouds of

ego would vanish like vanishing of dust by rain, which had been done by Baba silently.

After thousands or less happenings the lover would realize that how Baba had been guiding him in silence.

LOVERS INSPIRATION

The lover had a sort of fear to do wrong deed in the beginning and in that state he had spent some years. After some years he found himself matured in good deeds and there had been no fear but some sort of intoxication prevailing towards good deeds. He had started feeling enjoyment in going deep in Truth. He had strong inspiration for Truth. After spending years of such life, he had surveyed himself and found himself like "Kacha" pitcher placed in fire and taken out as "Pakka" one.

THE MOST HELPFUL

After some years of matured life the seeker would find Avatar Meher Baba, the most helpful always, as the seeker might forget Him but Baba would not forget. While sitting in his heart, Baba would not let him sit idle. Baba would take tests to show him that how high and good state, he had attained by putting natural circumstances in his life.

Just for instance — The seeker was a hunter, one bird struggling for life fell down near his feet and died after few moments. His heart felt pinched and also troubled with its pains. Then he weighed his love toward birds "Oh! I have been so much pained that I have also deeply felt the death. I used to fire on such birds with my gun, the birds died instantly; if by chance any bird fell on the ground with some signs of life, I used to cut his throat with my long knife."

Then he would realize the change that had taken place in his heart which had been moulded by Avatar Meher Baba.

Now for instance see "Honesty Testing" by Avatar:-

While on the way a lover found a purse full of ten rupees currency notes which were quite visible. He took it and kept it in his pocket and started a search for the owner of the purse but could not find any clue.

In the evening, one man with fainted face and pained mind asking everybody about his lost purse, came and said in a weeping tone, "I have to go to my native place and had told my wife that I would be going out to-night. She had prepared my dinner also which is with me but I had lost my one month's income."

The people said, "Oh fool ! who would give you, your purse full of currency notes?"

Baba's lover understood that he was the real owner of that purse and asked him the identity of purse. He gave the purse and let the owner count it before him. The owner as well as the lover felt very happy over this transaction of love.

Now again the lover had weighed the incident with the past years incident, when once he had found the purse but had purchased some of his own necessities and had not informed anybody. Now he had returned the purse to its owner and had felt the correct deed done.

WHO HAD CHANGED HIM ?

"AVATAR MEHER BABA" would come the reply from his heart.

CHANGES IN BABA'S PHYSICAL APPEARANCE AS GOD

One a seeker after Truth went to Baba to see who was that, who claimed Himself to be Avatar of this Age. He stood outside the place of Baba's stay and sent a message that he would see Baba. The seeker was of the determination not to bow down any one else except his own Guru.

Baba permitted him to have His Darshan. The seeker came and looked at Baba, he found that there was no other, than his own Guru sitting there. He rubbed his eyes and saw, again he saw the same. Now according to his own wish he bowed down and when again he looked at Baba he saw that the face was changing from Baba to his Guru and from his Guru to Baba and finally the change stopped and remained as Baba.

Once a seeker was sitting in Baba's Sahvas and an idea came in his mind that the people loved Meher Baba

according to their own taste, what a photo of Meher Baba displayed among other photos with wearing "Mukut" on His head looked like Lord Krishna it is funny. A question arose within him. "Is he Lord Krishna? I do not see Meher Baba other than an ordinary person sitting on a high stage."

After a flash of moment he saw some white clouds on the stage and the changing of some colours, "Lo ! there is Lord Krishna sitting," Again change took place with some clouds and colours and he saw, "Lo ! now Lord Rama is sitting" and so on.

There are thousands experiences of Baba's lovers with them whom they try to hide due to the fact that the others might not believe.

CURRENTS OF BLISS

After getting Avatar Meher Baba's physical touch or embrace or darshan, one would start moving smoothly on the path of God Realization. Whenever lovers would get stuck up in the way by Maya, Baba would take him away by catching his finger just as mother would do for his child. It would not matter much that one would be living near Baba or be thousands of miles away from His physical body.

Very strong currents of bliss have always been flowing from Him in all directions. The lover has to tune his heart to Avatar Meher Baba by keeping Him in his heart, he would find some shocks of currents to his own physical body. A sort of intoxication beyond explanation has been experienced by all of Baba's lovers in the East and West.

Avatar Meher Baba, the ocean of bliss, would give, who deserves, so much, that it would never fade out.

LIVING AVATAR OF THE AGE

Surrender yourself completely at the feet of Living Avatar, Meher Baba of this age, if you would be requiring God Realization. He would not teach and preach but after surrendering, He would sit in your heart and would make you move with the high speed towards God Realization just as pilot would sit in the Aeroplane and would fly.

MEHER BABA SAYS :-

"Irrespective of doubts and convictions, and for the Infinite Love I bear for one and all, I continue to come as the Avatar, to be judged time and again by humanity in its ignorance, in order to help man distinguish the Real from the false."

"When the Avatar proclaims He is the Ancient One, it is God who proclaims His manifestation on earth."

"Age after age history repeats itself when men and women, in their ignorance, limitations, and pride, sit in judgement over the God incarnated man who declares His Godhood, and condemn Him for uttering the Truths they cannot understand."

"Throughout the ages, humanity has failed to follow the true depth of the Humility underlying in the greatness of the Avatar, gauging His Divinity by its acquired limited religious standards."

SHOWERS OF NECTAR

Avatar Meher Baba Says:-

1. "Do not waste your precious life-span in differentiating and judging your fellowmen, but learn to long for the love of God."

2. "Even in the midst of your worldly activities, live only to find and realize your true Identity with your Beloved God."

3. "Love is a gift from God to man, obedience is a gift from master to man, and surrender is a gift from man to master."

4. "One who loves, is the lover of the beloved. One who obeys is the beloved of the beloved. One who surrenders all body, mind and all else - has no existence other than that of the beloved, who alone exists in him. Therefore greater than love is obedience, and greater than obedience is surrender."

5. "To love Baba in hopes of achieving health, wealth, betterment of family and friends, etc. is to love all these and not Baba."

6. "Divine love is the fire which not only eliminate all kinds of cold, but also all sorts of imagined heat."
7. "I tell you honestly that if you obey Me honestly you will become Me (God) — your own real self."
8. "Now is the time when those who obey Me will realize Me (God)."
9. "Obedience is greater than all the spiritual experiences, but obedience for show is worse than no obedience."
10. "The whole of creation is a play of thoughts, the outcome of the mind. It is your own mind which binds you, and it is also the mind which is the means of your freedom."
11. "For ages past I have been telling people to leave all and come to me. That alone is the way to liberation from all illusions."
12. "It is better not to worship if your heart is not in it. Any prayer made mechanically in a spirit of show or ceremony is all a farce. It results in greater bindings through one's pretence to purity."
13. "The fire of divine love alone can destroy all impressions once and for all"
14. "Let the thoughts of anger, lust and greed come and go freely and unasked without putting them into words and deeds. Then the related impressions in your mind begin to wear out and become less and less harmful."
15. "My miracle will be to make you become Me (God)."
16. "If you want to see God and to become one with God, then the only solution is to catch hold of my daaman (hem of garment)."
17. "If you want things such as health, wealth, children and other material things, then don't come to Me. There are many saints capable of satisfying your desires, and they might be pleased to give you what you want."
18. "True love is no game for the faint-hearted and the weak. It is love of strength and understanding."

AVATAR OF THIS AGE

Surrender yourself completely at the lotus feet of
AVATAR MEHER BABA to Realize "GOD"

19. "Win the grace of God by carrying on all worldly duties with a pure heart and clean mind and with equal acceptance of success or failure, while remaining detached in the midst of intense activity and selfless service of humanity, without thought of gain or reward."

20. "God does not listen to the languages of the tongue and its japs, mantras, devotional songs and so on. He does not listen to the language of the mind and its routine meditation, concentrations and thoughts about God. He only listens to the language of the heart and its message of love, which needs no ceremony or show, only silent devotion for the Beloved."

21. "Love is dynamic in action and contagious in effect. The way of love is not free from sacrifices. Just as heat and light go hand in hand, so do love and sacrifice. Love means suffering and pain for oneself, and happiness for others. To the giver it is suffering without malice or hatred. To the receiver it is blessing without obligation."
